By signing below, contractor certifies that the installation was completed according to Monmouth Power & Light (MP&L), PTCS, PATS and/or RTF specifications. Contractor understands that they are responsible for meeting all program standards, and that payment is not due until program standards are met.

**CONTRACTOR SIGNATURE** \_\_\_\_\_ **DATE** \_\_\_\_\_

***Customer must sign and date below for contractor to receive payment.***

By signing this agreement, customer acknowledges the contractor has installed energy efficiency measure(s) at the address above on this date. Customer agrees to allow MP&L or its representative to perform inspections of the contractor's work. Customer also certifies that the measure(s) were installed within MP&L service territory. Customer agrees to release MP&L from any liability associated with the work completed by contractor signing above, and recognizes that in no way is MP&L responsible for the safety or satisfactory performance of this work. MP&L will not accept any liability caused by customer's participation in this program.

**CUSTOMER SIGNATURE** \_\_\_\_\_ **DATE** \_\_\_\_\_
