ALL REQUESTS FOR REBATE FUNDS MUST BE PRE-APPROVED. If the work is not completed within three (3) months of approval, customer must reapply for rebate(s). There is no guarantee that funds will be available after the 3-month approval or that the incentive amount will remain the same.

Upon signing this agreement, customer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by Monmouth Power & Light (MP&L). MP&L disclaims any warranty, whether expressed or implied, regarding the measure(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the measure(s) must be installed to MP&L specifications and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Oregon Construction Contractors Board. MP&L strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a customer of MP&L, that the measure(s) are installed at the address indicated on this application and that this address is within MP&L service territory.

SIGNATURE _____ **DATE** _____

Rebate(s) will be paid when MP&L has received a complete rebate application and all required documentation for the project. Documentation must include copies of contractor's final invoice(s) and a copy of **one NFRC sticker per window**. Contractor's final invoice(s) must include window measurements. An MP&L energy efficiency representative will collect required paperwork at the time of final inspection or you may submit completed forms and copies of invoice(s) to:
